SUMMARY

PR6A LAND EAST OF OXFORD ROAD Enquiry by Design - Session 5

Summary

This is summary session will discuss the key points raised in each of the four previous sessions 1. Recap of events and what we have learnt from them so far in relation to our Vision and Principles for PR6a.

We will also present and discuss some early high level development options that incorporate the themes from this event and feedback gathered to date. Further detailed testing will be needed but we appreciate your comments on these initial ideas.

AIMS OF THE SESSION

- 2. Present some early potential Development Options that are beginning to emerge based on previous session findings
- 3. Next steps?
